

Player Meals

Revised 31/08/2020

Catering Quote – Notes:

Client will choose an option then advise what meal they would prefer in line with the chosen option. Options to choose from will be listed at the back of this document. Options can change at any time by the Fibbers.

Price is based on minimum order for 20 people – less than 20 people will require an additional cost of 15dhs per person.

The following rates will be revised in line with raised fees by government and other unforeseen rise in food & beverage costs.

The rate is only for the provided meal but does not included services like furniture, catering tents, power requirements outside our catering areas. Any additional hired furniture not limited to chairs, tables and table clothes will be to the cost of the client.

It is highly recommended to get as much information on catering numbers as well as dining area to see if we have the required equipment available. If other events are happening at the same time and all furniture have been allocated to other areas all hired equipment and furniture will be charged to the client on top of the fee given in this price breakdown.
